Andy Penkow - Wildflowers

Andy Penkow's new single 'Wildflowers' will brighten up anyone's day.

"I wrote this song a few years back, I was heading to parks NSW for a gig and I was blown away by the fields of wildflowers on the side of the road. So I wrote this song in a motel at parks. A few years later I wrote a song called wild-hearts... but I couldn't quite get it right. Fast forward to now I pulled both songs apart and wildflowers was born...." Andy
