Lloyd Back – Thankful

Thankfulness and gratitude, if chosen often and for even the smallest of things, can make a difference to a moment, a day or even a lifetime.

‘Thankful’ is the new single release from the award-winning “Everyone Has a Story” album. Written by Lloyd, the song comes with a hope that wherever you may be and whatever your circumstances, you will always look for something positive to focus on and be thankful for.

To date Lloyd has five recordings, all produced by Lindsay Waddington and the Kross Kut Records label, and with a new album under way and due for release late 2020.

The most recent album, "Everyone Has a Story" has been extremely well received, with the first three single releases all reaching Top 10 in the Country Songs Top 40 Australian Airplay Chart.

It was a huge honour for Lloyd to learn the album was awarded a 2020 Traditional Country Music Awards of Australia Album of the Year award at the Tamworth Country Music Festival. At TCMF Lloyd was also very honoured to receive a 2019 Gold Medallion Media Award for Male Vocalist of the Year and National Male Artist of the Year.
