Lynette Guest & Patti Morgan - Someone Is Looking For Someone Like You

Tamworth stalwarts, Lynette & Patti have enjoyed highly successful individual recording careers for decades. These long-time friends have worked as a highly sought-after duo on the Country Music and club circuit throughout the years also.

However, after years as a working duo it is remarkable that this is their debut recording together. They have chosen to bring new life to a song from the seventies, showcasing their vocal talents with strong harmony lines.

Lyn & Patti have built an enormous following and are both highly respected members of Country Music Capital, Tamworth with personal inductions into The Hand Of Fame, The Wall of Honour and The Woman's Wall Of Fame. The duo are also proactive members of the CCMA, hosting the monthly jams for this 50-year-old organisation.
