Tom Curtain – In The West

I've lived all my life in the bush, from growing up on a farm near Kingaroy, Queensland, to training horses across Queensland, Northern Territory and Western Australia, and now settling in the Top End. This song was inspired by everything I love about life on the land; the characters, experiences and landscapes. It paints a vivid picture of what life is like out here and the fun we have every day. I wouldn't want to be anywhere else.
