The Silverline – Walking The Wall

Hot on the heels of The Silverline's ICMA 2020 Award-winning single "Home Sweet Homeless" is their latest offering WALKING THE WALL!

This upbeat contemporary cracker of a song oozes insatiable country rock boasting superb harmonies and high-octane lead vocals (feat. Catherine Lehnen) combined to produce their head turning signature sound! Lyrically strong and musically superb, this single paints a story about staying true to the one you love - and to stop living life on the edge!

Walking The Wall is more of what you've come to expect from The Silverline - raw, compelling award-winning song writing combined with incredibly catchy melodies!
