Dan Higgins – Ain't Gonna Bottle It Up

Following the incredible success of Dan Higgins' song '*Isn't It A Shame*' reaching #6 on the **National Country Songs Top 40** airplay chart, Dan presents the next single '*Ain't Gonna Bottle It Up*' off his upcoming album, Make Love Enough (release forthcoming in 2021) recorded and produced by multi Golden Guitar winning producer - **Matt Fell**

Co-written with **David Carter** from **Carter & Carter**, '*Ain't Gonna Bottle It Up*' is a up-tempo song with a lyrical twist about turning those moments in life that could have been damaging into moments that springboard us into something better.

Drawing on his own personal experience to write this song Dan says

"We are all given a choice in life when facing crossroads and choosing to not let negative things bottle us up is an important part of happiness and moving forward"

Ain't Gonna Bottle It Up will encourage listeners through the journey of life to keep moving forward despite the setbacks – something we can all relate to in 2020.
