Slim Gritty – One More Kiss

“One More Kiss” is a moving traditional romantic Country ballad with a Hillbilly flavour. It tells a story of one reminiscing about a love lost due to ones’ own fault, looking back and pining for a time that was, for just one more kiss.

Singer/songwriter/musician Slim Gritty in variable line-ups is no stranger to gigs and festivals both home and abroad.

Though influenced by the timeless energy of Rockabilly and gravy boat of roots music styles of Hillbilly, Honky Tonk and Blues that merged to form it. He contemporises by injecting an original perspective and lyrical content with present day relevance, conjuring refreshing poignant sometimes funny sometimes sad always gritty compositions.

In early 2020 he released pure and undiluted in Rockabilly fashion his debut CD album ‘Movin’ On Down The Line’. Digitally releasing a moody Cowboy Rock number with a social statement entitled ‘Another Man’

Slim is now working on a Country/Hillbilly album ‘Lil Bit Country’ for release early 2021.
