Sandy Louise - All I ever had

All I ever had is a personal song reflecting on a bad relationship but looking ahead and being strong enough to take charge of your life again for yourself.

Featuring album producer Bill Chambers on guitar and vocals with Sandy it has a great sound and strong lyrics that share their emotion.

Be sure to check out the whole album which is available now on all online platforms with merchandise available through her Facebook page. <https://m.facebook.com/sandylouisemusic/>
