Alan Percy – Buckaroo

Multi-Instrumentalist / singer songwriter Alan Percy from the award-winning duo “Alan and Trace”, has been writing for their upcoming album, following their number one single “The Greatest Show On Earth”. After recording the instrumental “Buckaroo” (formerly recorded by The Buckaroos in November 1965) to celebrate the 55th Anniversary of its release and topping the charts, Alan decided to release his version to radio. It features harmony guitars and pedal steel while still retaining and admiring the distinct sound of Don Rich (Buck Owen’s guitarist) arguably the father of what we now know as the Bakersfield sound.
