Brendan McMahon - No Yesterdays

The concept for No Yesterdays came from conversations with my step father in law, who's in his late 80's, listening to him tell stories about his life and recall fond memories of great times had over his long journey. He's still very fit and active and looks to the future positively.

"No backward steps, no regrets, no yesterdays
no time to lay down and die, not today, no not today"

A quote from Kaz Johnsons review of my new album "No Rush Today"

"Before I start, and as I listen to the album for the first time, I have to comment on a particular track – No Yesterdays – holy stunner, Batman. This song is just amazing. In these difficult times, it could stand up as an anthem. Wow."
