Jack Daniels – Robert Ross

Following on from his single “I Will Rise” Robert Ross releases his next single, “Jack Daniels”. “Jack Daniel’s” is the new party anthem of that big night out on the town! Filled with friends, mishaps and a surprise or two! The night is anything but mellow! Spicing things up a bit! It’s fun, straight up! The song is accompanied by a video recorded at the Cape York Hotel in Cairns and captures the essence of what a little too much imbibing can do, in a fun, tongue in cheek way. Just “clowning” around.
