Warren & Johnston – Heaven's Country

Warren & Johnston (formerly known as "Double Trouble") have been performing together over the past 21 years - mainly in the Northern Rivers area of NSW.

They have decided on a name change largely due to other groups using the same name and to avoid any confusion for members of the public.

Due to the Covid-19 situation it was decided the time was right to change their name and expose themselves to a wider audience.

Whilst they are not prolific songwriters, they have released one of their songs entitled "Heaven's Country" which has been re-recorded in 2020 and is the subject of this release.

The song reflects on some of the artists who have been called to Heaven's Country in the sky and was written and recorded originally in 2009 and included on their first album entitled "Double Trouble By Request"
