Dave Cox Music - Peace Starts with a Smile

Dave Cox is a local songwriter artist that writes songs about Australia, its people and what makes us a great mob. A true believer in the phrase of where words fail, music speaks. Dave hopes his music inspires other veterans to pick up a guitar and express their thoughts and ideas through music. Dave is a proud and grateful Australian.

Peace Starts With A Smile is a simple message of peace, we all have the power to positively affect those around us, inspired by 70's worn church billboard in the suburbs, but the sentiment from this time still stands today.
