Jason McDaniel – Pier Pressure Breakdown

Pier Pressure Breakdown is the first single from Jason's upcoming album release Honky Tonk Life – celebrating good times, good music, good whiskey and living life to the full.

Pier Pressure Breakdown is the first single on the album, taking the journey of a truck driver working hard all day and weekends – deciding to take the great Australian sicky, hitting the blinker and 'go fi shin' for the day. Hence the reference and turn of phrase to Pier Pressure – the ever alluring pressure from the fishing pier....
