Dave Prior – Mona Lisa Lost Her Smile

At the tender age of 50 Dave Prior chucked in his secure job as a radio station manager to become a full-time entertainer. He threw his guitar in the back of the car and never looked back. The rear-view mirror was broken.

Since then, he has recorded three original music albums, an album of Merle Haggard tunes, and four comedy albums.

Lately, Dave has been in studio with Lindsay Waddington. Mona Lisa Lost her Smile is the second single to come out of this session and is an old David Allan Coe song that he has been singing for years, and at the encouragement of Lindsay, finally got around to recording.

Dave said, “I am really looking forward to getting back in the studio at Kross Kut records and putting more songs together for an upcoming album”.

Dave lives in the beautiful Clare Valley in South Australia and is little bit involved the wine industry.
