Destiny Band Oz - This is Our Land

Written by Thomas and Tessa Libreri about their love for Australia and how blessed they feel for their fortunate way of life in this great land of amazing and diverse scenery, climates - and people.

[Originally to be released 26th January (Australia Day) however out of respect for those who view it as 'invasion day,' the 13th February was chosen instead because that was the date in 2008 that Australia's National Parliament apologised to Australia's First Nations peoples for past wrongs and laid claim to a future that embraces all Australians].
