Secret Letters – She Chose You

"She Chose You" is the debut release from Secret Letters.

Secret Letters is the creation of Melbourne songwriter Keith Don. The band is a project to bring to the Australian music scene, radio friendly country tracks utilising the best independent talent from around the world - often contributing outside of their usual genre.

"She Chose You" tells the story from the 'other man's' perspective. In love with a woman who loves him but is trapped in a loveless marriage that she feels she can't leave. She may love him but she chose someone else first.

Future tracks are expected from Secret Letters with Keith currently collaborating with artists and producers in Australia, the US and the UK.
