Coad Sisters - Land Of Acacia

'Land Of Acacia' is the first single from a forthcoming album for Coad Sisters. Fulltime in music for over 30 years the two sisters continue to present their unique blend of traditional style Country and Aussie story ballads from covers to originals on their albums. Coad Sisters last album 'The Journey' featured many award wins and finalists with their original material. 'Land of Acacia' written by Virginia Coad of Coad Sisters, is a gentle ballad which showcases Coad Sisters vocal harmonies, and lyrically relates to the sisters' home area of the Flinders Ranges, SA, in particular, the desert country in the far north of SA where they spent their childhood, 'In the Land of Acacia, (and wild Desert Rose').
