### ***Darren Gillis – Damn Long Straight***

Damn Long Straight is a country song with powerful lyrics.

The way the lyrics are delivered, accompanied by the backing instruments, adds to the punch.

It's about a guy who's been let down and taken advantage of by trusted people along life's road. Now things are about to change and that guy is determined to remove all negativity out of his life, take what he wants and put himself first for a change.

Nobody is going to stand in his way.
