Michelle Little – You Don't Have To Be A Hero

“You Don't Have To Be A Hero”, is Michelle Little's latest offering and it's release comes 4 years after it was written as a birthday gift for her late father while he was undergoing treatment for cancer. “After Dad lost his battle, I knew I wanted to do something with his song and here it is.”

Michelle's father is pictured in the artwork for this single along with two of his younger siblings. “I chose it because my Dad was an ordinary person but to his family, he was a hero and I hope that's something a lot of people can relate to.”

“You Don't Have To Be A Hero” is the latest single released from Michelle Little's upcoming album due for release mid-2021.
