### ***Miranda Easten - Country Boy***

Hailing from Christchurch, New Zealand, Country Singer Songwriter Miranda Easten presents her new single 'Country Boy' lifted from her upcoming album 'Behind Unbroken Strings'. 'Country Boy' is an energetic and romantic love song about the excitement of a relationship in its early stages, including falling in love, and learning new things about each other.

'Country Boy' follows on from her national top #20 success in Australia with her debut single 'Cowboy Lullaby' and her feature on the 'Voices of Country' compilation album released by Compass FM. Miranda has been recording her debut album 'Behind Unbroken Strings' at Roundhead Studios in Auckland with world renowned producer Greg Haver (Melanie C, Opshop, Kimbra) along with Auckland based musicians Tom Healy, Cass Basil, Stephen Small and Mark Hughes. Her album is due for release in April 2021.
