The Silverline – The Borderline

The Silverline recently secured the TCMF PEOPLE’S CHOICE AWARD for best song of the year 2021! Off the back of this award, “The Borderline” is the latest offering from their highly anticipated debut album HOMETOWN RODEO (releasing June 2021).

This new single follows hot on the heels of their incredibly successful national #1 hit song ‘Walking the Wall’!

The Borderline showcases slick harmonies & hard-hitting vocals framing a tune about heartache, cheating and redemption.

It’s a raw realistic storyline that grapples with the challenges of ‘the tangled web we weave’ - living on the borderline of right and wrong!

The Borderline is the Silverline’s 5th release, all produced by Simon Johnson at Hillbilly Hut. It’s sure to be popular hit with the Country music community!
