### ***Tony Cook – Long Live The Brave***

Tony Cook returns to the music table with another unique offering, a song which pays tribute to current and past defence force members. This song will hopefully give the listener a touch of patriotism and pride. It is a reminder of what our service men and women go through to keep us safe and protect our values. Hopefully Tony's new song "Long Live the Brave" will be one to add to any playlist paying tribute honouring our nation's heroes on our day of remembrance this ANZAC day.
