David Daniel - Expo '88 (feat. Glenn Bidmead)

During covid lockdowns, from different corners of the world, Glenn Bidmead and I came together on Zoom and with no idea of what to write about.

We recollected a period of our lives where, for very different reasons, we ended up in Brisbane. The year was 1988, Australia's Bi-centennial year and the start of Expo '88.

As we both shared our stories, there was one common theme to both of our stories and so Expo '88 was born.
