Lynchburg - Love You When I Can

Since forming Lynchburg in late 2020, Allan Caswell and Lindsay Waddington have been blown away by the positive reaction to their debut classic country album How Country Do You Want It?

The album's first single Just Get Better flew up the country charts to Number 1. The album How Country Do You Want It?, launched recently on ABC Saturday Night Country, is proving a winner with classic country music fans across Australia.

“When I got to the studio Waddo already had the tune and a number of the tracks down ... I think he thought it was an instrumental ... I let the tune take me on a journey lyrically and Love You When I Can was finished very quickly... it has become the way we work. Whether we start with a melody or a lyric, it is very much a team thing.”
