Darren Gillis - Reckless

Post separation from my wife, I found myself in a place where writing helped me a hell of a lot. It actually saved me.

Now there are two ways of looking at this song with the lyrics.

You probably first surmise that I'm taking a lady home at the end of the night, however the song is actually about my guitar. My guitar is the lady I'm taking home at the end of the night which is the trick to the lyrics. Darren Gillis.

As an independent Australian artist and creator of original country music, Darren Gillis writes his music based around experiences along life's road.

Each of Darren's songs tells a story and has been written from the heart to which he hopes that his audiences can relate in their own way.
