WARREN KEARNEY - WHO'LL REMEMBER THE MEMORIES

“Who’ll Remember The Memories”, Warren Kearney latest single release, delves into the problem of our memories not being passed onto the next generation. Imagine the stories that died with our Great Great Grandparents being available to us now. Even our parents’ memories are at best, only passed on by word of mouth. The story changes with each telling and with that, our History is being lost. We hope that you enjoy this thought provoking track presented to you in song by the smooth vocals of Warren, and in video by the lyricist, Maurie Marion..
