Haystack Mountain Hermits - Wayfaring Stranger

Haystack Mountain Hermits release their version of the much-loved traditional American folk and gospel song Wayfaring Stranger, featuring their trademark big harmonies and beautiful acoustic instrumentation. People say family harmonies sound like no-one else's - you be the judge! This song is always a favourite with audiences at Haystack Mountain Hermit shows and is a perfect fit to sit alongside their ANZAC ballad The Horses Stay Behind (One Last Ride) as the B side to their vinyl single release. All profit from the sales of this limited release vinyl single will be donated to the RSL.
