Ronnie Joudo – From The Start

We sometimes reflect on things that we had and wished that we could have done just a little more even though you did your best.

On my part, I think back and I wish I could have made my mums life a little better. With my long hair and a rodeo heart I tested her blood pressure a few times over the years on the farm, but she always loved me and always had the door open no matter what.

A Widower with eight kids who never showed her pain when she was hurting and she always kept Jesus in our hearts.

I love you mum.
