The Tony Q Band - One More

The Tony Q band is a very new and unique country sound to Australia, a good blend of rock, country and blues, and their latest single 'One More' is no exception to that. Their style has been quoted for being Australia's answer to Brothers Osbourne due to their energetic shows, rocker, bluesy, country inspiration with a deep, home grown Australian voice. The band came together after Tony returned from his deployment to Afghanistan and have played to crowds Australia wide from Gympie Muster, Winton Way Out West Festival and Warwick Rodeo whilst still maintaining their roots, playing shows at little honky tonks, where their journey started, at places such as Johnny Ringo's in Brisbane.
