Shelly Jones Band (Featuring Watling & Bates) – If You Knew What You Know

The Shelly Jones Band's upbeat traditional country sound merges with Watling & Bates' old time Gothic hillbilly and honkytonk style on this latest single from these two accomplished country duos.

Written by Shelly Jones, IF YOU KNEW WHAT YOU KNOW is an upbeat tune that challenges one to think about whether they would do things differently in life if they had their chance to do it all again.

With an infectious beat and a catchy tune packed with perfectly blended harmonies and great musicianship, you'll want you to kick up your heels and start dancing, even if you don't know how!

Produced by Lester and Shelly in their home studio, IF YOU KNEW WHAT YOU KNOW is available all digital platforms.
