Kevin Lansdell - When The Country's Wet

This is the second song that Kevin Lansdell has released from his album 'Dusty Covered', a selection of some favourite Slim Dusty tunes, recorded at Apollo 10 Studios late 2020, following COVID-19 lockdowns. 'When the Country's Wet', written by Chris Cook, is an upbeat Australian country music song revealing lessons to be learned in the remote north of Australia. Kevin commented that this song challenged his drumming skills in the studio. He was thrilled to have contributions of many talented musicians bringing life to his album and especially proud of his son Tyson playing bass. Kevin Lansdell is a farmer from Popanyinning, lover of bush ballads and traditional country music, drummer, guitarist and singer performing alongside daughter Katelyn and son Tyson at Western Australian country music festivals.
