Jakeycakes – Free Spirited Baby

With Free Spirited Baby I wanted to make a song that people could dance to and a song using my slide guitar skills.

The song is inspired by 60's rock and roll, the Traveling Wilburys and an 80's rock feel. The song is about my girlfriend dumping me because she is a free spirited girl and doesn't want to be tied down.

So instead, Director Scott Whatman has me with two gorgeous Go-go Dancers in the music video!

The lyrics "Turquoise earbuds", rather than Turquoise earrings, is about earbuds being more the norm these days with everyone on their devices lol.

Slide guitar - I first met Nashville Producer/Slide Guitarist Michael Flanders after my publicist Sammie introduced us when I was busking for Ian 'Dicko' Dickson's Country Spit Roast. Soon after I started slide guitar lessons with Michael. You will hear two slide solos in the song.

The credits on this song are:
