Clayton Saunders - For The Rest Of My Life

I wrote this ballad for my partner to tell her through the power of words and music just how much she means to me.

She's my twin flame and I relish the opportunity to show her everyday in every way I can, just how blessed I am to have her in my life.

It's a gift and a privilege to know that she gives her love to me of her own volition and without pause.

It's an honour and a joy to share mine with her everyday For The Rest Of My Life.
