Tony Smith – Beautiful Dreamer

With an impressive record of four Top10 singles from his first four radio releases, including the #2 hits 'Hit It On The Run' and 'Ghost Of His Guitar' on the National Country Airplay charts - Tony Smith is just getting started. Releasing the fifth single 'Beautiful Dreamer' from his award-winning 'Stir The Embers' album, the current 2021 People's Choice - Most Promising Country Star Winner continues his string of songs that capture the heartbeat of life for us all.

“Beautiful Dreamer is a song built around a verse originally written in my daughter’s birthday card. I was trying to capture the feeling of a father watching his daughter grow and pursue her dreamland letting her know I would always be there to pick her up if she lost her way and needed a shoulder to cry on.” Tony Smith

‘Beautiful Dreamer’ is sure to appeal to the whole family and is a perfect song for country radio playlists. Yet another song from Tony Smith's incredible album ‘Stir The Embers’, that reflects the unfolding adventure of Tony's life, as he writes about his loves, losses and experiences raising a family, and working across Australia as a shearer, miner, truck driver, musician, husband and father. It's an album that has been 24 years in the making and well worth the wait.
