Tyson Colman – When You Know You Know

“When You Know You Know” is the highly passionate, second single release from Tyson Colman's forthcoming Victorious Album.

Co-written with the creative forces behind the chart-topping duo “Lynchburg”, Allan Caswell and Lindsay Waddington, this melodic ballad will have you singing along, and thinking about the one you love, or the love you hope to find.

Produced by Lindsay Waddington at Kross Kut Records, this song is particularly special to Tyson, as it was written about his feelings for his fiancé Sandi.

This is a pure country song with plenty of pedal steel, fiddle and dobro to keep even the most traditional country music fans happy.
