Anne Fraser – Wind In Your Hair

Growing up in a family of motoring enthusiasts, I have always had a keen interest in Motorsport. When the opportunity arose to write a song about one of my passions, it just went hand in hand.

The song was written on location while filming the documentary that my son (Blake Allan Media) is filming. The song is based by the locations and the people that are in the documentary.

Wind In Your Hair will be included in the documentary and released at Motorsport Park in South Australia and will be part of the Adelaide Classic event.
