### ***Faye Kristiansen – That Man Who Hung The Moon***

Faye Kristiansen is one incredible Australian female vocalist.

Faye has been involved in the music industry for almost 30 years and after recently enduring hardships of bushfires, floods and cancer followed by major ear surgery, it is wonderful to see Faye sharing her talents on the airwaves again.

Faye is very excited to be reviving her recording career with LBS Music studios, where she has just recorded one of the very talented Shaza Leigh's songs, That Man Who Hung The Moon.

As they say, new beginnings can make your dreams come true and the future is now looking far brighter for Faye and partner Darren, as they prepare to hit the festival and tour circuit as soon as possible, taking their brand of country music to all areas of Australia.
