### ***SHAZA LEIGH - The Old Home's Gone***

Recently time for reflection has become part of our everyday lives. Australia's First Lady Of Song, Shaza Leigh OWB, has delivered an emotive story of loss of family ties with the demise of the old childhood home. Growing up on the family cane and cattle property in The Whitsundays helped form her deep love of family, homeland and country which is often evident in the writers' work. 'The Old Home's Gone' is dedicated to all the families who have tragically lost their home to a bushfire.

Shaza Leigh has become an extremely gifted and powerful performer; augmented by her writing ability and her outstanding production with husband/producer, Lindsay Butler OAM and their LBS musician roster, a new Shaza Leigh track never disappoints.

Kerrigan has always recognised the importance of radio airplay and DJ support, and he continues to appreciate the fact that without the wonderful radio presenters, listeners and chart compilers, artists can sing till they're blue in the face, but to no avail. He offers his profuse thanks to everyone and hopes you enjoy his latest track.
