Kerrigan La-Brooy – Together Tonight

Following his Seven Number 1 singles, Kerrigan La-Brooy is back with his 8th release, titled “Together Tonight”.

This song is written by Kerrigan and just won the 5th Annual LDM Music Awards in New York in the Country Category. ‘Together Tonight’ is upbeat and uplifting and just what one needs during these unprecedented times to get us up and dancing and to drive away those pandemic blues.

Kerrigan’s voice sounds bright and inspiring on this track and his lyrics reflect on the importance of staying true to the love of your life and not letting anything or anyone come between you because it’s too late to turn back time. Kerrigan’s advice is: “When you find the right one, stay true and faithful to one another – if you don’t, you’ll end up wishing you were ‘Together Tonight’.”

Kerrigan has always recognised the importance of radio airplay and DJ support, and he continues to appreciate the fact that without the wonderful radio presenters, listeners and chart compilers, artists can sing till they’re blue in the face, but to no avail. He offers his profuse thanks to everyone and hopes you enjoy his latest track.
