### ***Brad Cole - My Outback Heartland***

BRAD COLE makes his long awaited return with his new single 'My Outback Heartland', winner of 'Australian Song of The Year' at the Australian Songwriting Awards. My Outback Heartland is a modern contemporary Australiana ballad that will capture the hearts of listeners and take them on a peaceful journey showcasing Australia's natural beauty and landscapes.

Cole first burst onto the music scene in 2009 releasing a number of popular contemporary country music singles and music videos that cemented his name on commercial and community radio where he earned an APRA Awards finalist nomination. Cole was then absent for a number of years following a relationship breakdown. My Outback Heartland is written by Brad Cole, Lola Brinton and Trish Horwood and involves some of Australia's finest musicians. Produced by Stuart Stuart.
