Willow – Release

"Release" is the perfect single to introduce new contemporary country artist Willow. After many years of crafting his songs in the melting pot of real life Willow has stepped into the studio to record his debut album 'Out Of My Hands', due in 2022, and his first single 'Release' leaves no doubt that he is an artist who is here to stay and has something to say.

"Release came to me after many years of travelling around this incredible land of Oz. It's my way of acknowledging who I am, where I've been, and what may lay ahead." Willow

'Release' has a raw soaring contemporary country feel to it that paints a picture of connection to the land in all its rugged beauty. With multi-award winning producers David Carter (Carter & Carter) and Adrian Hannan (Vanessa Amorosi, Delta Goodrem) at the helm it is set to launch Willow as an emerging artist and one to watch.
