### ***Jake Murdoch aka Jakeycakes – Just Like A Rocket***

This song I wrote in 2020 and really needed a producer to transform it. Scott Whatman did just that. I am so happy with the end result.

Just Like A Rocket is about a girl who is with a new boyfriend called John and when she is with him she is thinking about me and when she is with me she is thinking about John.

She moves on and I am Just Like A Rocket because I don't like to be messed around and I am going to higher places, "I'm Outta Here"

I really love the solo in this song!

This song I play lead guitar, rhythm guitar, bass guitar, lead vocals and the layered harmonies.
