Robert Ross - Baby Don't Go

Here is the latest single from Robert Ross "Baby Don't Go" A traditional Country song with a splash of Country rock. Robert successfully takes a sad song and combines it with a happy, punchy melody and comes up with an amazing result. This is a heartfelt song about a love gone wrong. You can feel the pain and loss through the lyrics. It's ironic that this song is scheduled to release just as Robert is going through a marital breakup in his own life. Although the song was written a few years ago, isn't it funny how life imitates art.
