### ***Lynchburg – Youngie***

Youngie is the fourth single from Lynchburg's acclaimed debut album How Country Do You Want It and the first to feature the vocals of Lindsay Waddington.

"With the first 3 singles going Top10 and 2 going to Number 1 ... the pressure's really on this one" (Waddo)

"It was a no brainer ... Youngie is our tribute to the great Brian Young. Waddo left school at 15 to go on tour with Youngie ... it's his story too." (Caswell)

Youngie is an important song to Lynchburg. Brian Young was Waddo's mentor and the bloke who got him started in a successful music career. He was also the first major country artist to record an Allan Caswell song.

As a songwriting team Waddo and Cas write songs with and for some other top country artists but some songs just say Lynchburg ... Youngie is one of them.

"Waddo is very underrated as a singer (usually by himself) but we dragged him into the vocal booth ... and he nailed it"
