Shelly Jones Band – Country Style Music

‘COUNTRY STYLE MUSIC’ is the 1st single release from the SHELLY JONES BAND’S eagerly awaited new album, ‘PROCEED WITH CAUTION’ due for release in late October.

The song is simply a celebration of pure traditional Country Music.

“It’s fantastic that there is such a variety of country music sub genres out there these days, but sometimes it’s refreshing to simply hear a pure country song that has all the instruments in it that make a traditional country song sound so unique and great!”

It also has a special family connection being co-written and recorded several years previously by Lester’s older brother Chris Treuer and Kenny Gallagher from Sydney country band, The Keymen.

Check out the Shelly Jones Band website for more information on where ‘COUNTRY STYLE MUSIC’ is available.
