Anthony Meagher – Baby Boomin Nomads

Anthony Meagher (Tony) has been playing in the music industry for over 55 years (maybe the apprenticeship is over).

He has worked in Bands, Duo's, as a Solo Performer and performed in Theatre Restaurants

He is a Singing guitarist, Story Teller and Song Writer

Baby Boomin Nomad came from ideas after countless camping trips with family and friends – there's always a happy hour, it doesn't necessarily have to involve alcohol – but probably will.

We all seem to like to get out and have a good look around so stories will be told, and lots of laughter. Guitars will come out and there will be singing and sometimes even dancing.

Who amongst us doesn't like Chocolate and or Salty Chips?

So, we're suggesting grab your seat, a drink, sit back, turn your music on, and get ready to tap your feet.

We look forward to catching you in the future.
