### ***Pecos Red – Breakin' Out***

I guess there comes a time in everyone's life when it strikes you what the hell am I doing and where the hell am I going. Stuck in a rut doing a boring payless job, just earning enough to come back next week and do it all again.

Well, change can be hard and difficult sometimes and in some cases downright dangerous.

The song "Breakin' Out" allows you to escape it all for a while.

It tells the story in brief of four lives who just need to get away.

If you kick back and absorb the lyrics you may just find yourself drifting off to another more peaceful place if not physically at least mentally and emotionally. With its hard driving beats and up tempo feel, "Breakin' Out" isn't asking you to sing along it's telling you to join the band for a few minutes and free your spirit.
