## ***DAWNING OF THE NEW AGE - SHAZA LEIGH***

Affectionately known as, ‘Australia’s First Lady Of Song’, Shaza Leigh is undeniably one of the most successful personalities in the Australian country music business; singer, songwriter, musician and entrepreneur.

In 2020 Shaza’s talent was affirmed at the National Australian Awards, ‘THE ORDER OF THE WATTLE BLOSSOM’. The citation for Shaza Leigh OWB - ‘For excellence in the writing and performance of music reflecting Australia’s unique cultural heritage, and love for our Native Land.’

Although much has been documented about Shaza’s incredible recording and songwriting career, numerous accolades and business acumen, until now, little has been publicly released about Shaza’s spiritual gifts and awareness. Astoundingly, her spirituality is part of who she is at the core and her awareness has resulted in a totally guided life. This guidance has served her well and she never questions that gift.

Dawning of the New Age was written almost 10 years ago and the timing is now right for this incredibly insightful song to be released for a wider and more aware audience.

This latest single was released on her 2021 digital album, Land Of Our Kin, now available for electronic download.
