Craig Woodward – Real Men Don't Cry

Real Men Don't Cry is the second single from Craig Woodward's eagerly awaited follow up album scheduled for release in early 2022'.

The song is about starting a conversation about men's emotional role in society.

For I know behind our tough Aussie exterior we are all human first no matter how we identify. Showing your emotion can sometimes be the most human and cathartic thing to do, hey I cry watching a sporting event sometimes! Ha Ha

I'm really proud of this song, the first I've created, recorded and performed on piano and it was all done during the 2021' COVID-19 lockdown included the raw and emotional film clip that has been added to the CMT (Country Music Television) programming on Foxtel.
